

STAR AWARD

The STAR AWARD (Most Outstanding Player) is the top individual honor a player can attain. It is a measure of the success they have achieved during the season in many different areas. The recipient of the STAR AWARD is, theoretically, the team's best all-around basketball player. We will give a large trophy or plaque to the player who obtains the most stars. Anyone who earns 50 stars is eligible for an award, as well. The "stars" will be placed on a player's locker soon after every game.
