

## The connection between thinking correctly and character qualities ... Phil. 4:6-8

Remember you can't control all the  
thoughts that enter your mind...

Remember you can properly interpret the  
thoughts that enter your mind...

Remember you must ask the right questions  
regarding the thoughts that enter your mind...

Remember if you ask the right questions about God, self  
and others, you get the right answers...

Remember if you ask the wrong questions about God, Self  
and others you get the wrong answers...

### Practical Suggestions for utilizing character qualities ... Pro.4:23

Commit to Memorizing a character quality... The mind...

Commit to Meditating on the character quality... The heart...

Commit to Applying the character quality... The life...

Commit to Reviewing the character quality... The process...

*"If we can change the way you think, we can change the way you live"*
